

Friendsgiving

NOVEMBER 20, 2026

We held our first Friendsgiving in a long while, and it was so good to be together again! Nearly everyone from across Chamberlin House joined us. The tables were full, the food was delicious, and there was plenty of time to catch up with friends and enjoy each other’s company.

Our administrative team prepared and served the meal, and working together in the kitchen became a celebration of its own. There was plenty of laughter and camaraderie as we got the food ready and filled plates. Sharing that time together was one of my favorite parts of the day.

A big thank-you to Albany First United Methodist Church for welcoming us into their fellowship hall. They've been such an accommodating partner, sharing their warm, accessible space for our regular community dances and now for Friendsgiving. We're grateful to have a place where we can come together, celebrate, and build friendships.

We are so glad we brought Friendsgiving back!

Happy Thanksgiving

from all of us at CHI!
