

Falling

INTO FUN AT CHI

There's just something special about fall at Chamberlin House! The cooler temperatures, colorful leaves, pumpkin patches, and excitement of the changing seasons make this such a wonderful time of year.

Our CHI family has been making the most of it!

From trips to the pumpkin patch and festive fall outings to Halloween celebrations, creative pumpkin carving, and plenty of laughter along the way, there's been no shortage of fun. Our folks and staff have been out enjoying the season, spending time with friends, and making some pretty great memories together.

And of course, we can't forget our Harvest Dance! What a wonderful way to celebrate the season, with music, dancing, laughter, and the simple joy of being together. There's nothing quite like a room full of familiar faces enjoying good music and each other's company!

Even our administrative team got into the Halloween spirit!

Whether dressing up, getting a little silly, or simply enjoying the festivities, it's clear that fall brings out the fun in everyone at CHI.

One of the things we love most about this time of year is how it brings people together. Sometimes it's a big adventure, and sometimes it's something as simple as sharing a laugh, showing off a pumpkin masterpiece, or enjoying an afternoon with good company. Those are the moments that make life at CHI so special.

And while we're still enjoying the last of the beautiful fall colors, we can already feel the excitement of the holidays just around the corner! Thanksgiving gatherings, delicious food, holiday decorations, Christmas celebrations, and all the wonderful traditions that make this season so meaningful are on their way. We have so much to look forward to, and we can't wait to share it all!

For now, we're soaking up every bit of fall fun and looking forward to the warmth, laughter, and magic of the holiday season ahead.

Here's to good friends, great memories, and all the wonderful things still to come at CHI!
